WHAT IS THE AMERICAN PUBLIC POWER ASSOCIATION?

We're the voice of not-for-profit, community-owned utilities that power 2,000 towns and cities nationwide. We represent public power before the federal government to protect the interests of the more than 49 million customers that public power utilities serve and the 93,000 people they employ. Our association advocates and advises on electricity policy, technology, trends, training, and operations. Our members strengthen their communities by providing superior service, engaging citizens, and instilling pride in community-owned power.

WHAT IS THE CEO ROUNDTABLE?

It's public power's annual gathering of top executives who meet to exchange ideas and information with their peers. Registration is limited to public power CEOs and senior executives to facilitate productive discussion. Learn more at www.PublicPower.org/CEORoundtable.
