

SAMPLE PROCLAMATION

A proclamation requires the attention of your utility policy board or city council, and provides an opportunity for those bodies to think about and describe the electric utility's role in the broadest possible way. After the proclamation is passed, you can distribute it to the news media, post it on your website and Intranet, email it to employees, use it as a newspaper ad, write about it in your customer newsletter and make copies or a poster of it for your customer service center.
