

The logo for the American Public Power Association, featuring the words "AMERICAN PUBLIC POWER ASSOCIATION" in a bold, sans-serif font. "AMERICAN" is in red, "PUBLIC" is in blue, "POWER" is in red, and "ASSOCIATION" is in blue. The letters are stacked vertically.

AMERICAN  
**PUBLIC  
POWER**  
ASSOCIATION

COOPERATIVE ASSOCIATE  
MEMBER

A scenic background image of a sunset over a landscape. The sun is low on the horizon, casting a warm, golden glow across the sky, which is filled with soft, wispy clouds. In the foreground, several utility poles with power lines stretch across the scene from left to right. The ground appears to be a mix of grass and some trees or bushes. The overall mood is peaceful and serene.

# JOIN

THE AMERICAN PUBLIC POWER ASSOCIATION  
AS A **COOPERATIVE ASSOCIATE**

# Join the American Public Power Association to access premium utility operations tools

As a rural electric cooperative, you know the value of keeping the lights on and your customers satisfied. Cooperative Associate membership in the American Public Power Association will provide you with top-notch electric utility operations, tools and access to premier information resources to make your job easier.

## Enjoy valuable member benefits without breaking the bank

Cooperative Associate membership provides your employees with the resources they need.

- Deeply discounted rates on industry products and publications, including APPA's nationally acclaimed Safety Manual for an Electric Utility, and eSafety Tracker — an online platform that will help you document and analyze safety-related events, including job briefings, injuries, near-misses, investigation reports, etc.
- Opportunity to apply for a Smart Energy Provider program best practices designation for utilities that show commitment to and proficiency in energy efficiency, distributed generation, renewable energy, and environmental initiatives
- Opportunity to apply for a Reliable Public Power Provider (RP3) program designation and to benefit from improved bond ratings, savings on workers compensation and insurance, and increased economic development opportunities that accompany a designation
- Discounted subscription rate to eReliability Tracker — an online reliability benchmarking service that includes an annual national reliability report customized for each utility subscriber, enabling you to benchmark your reliability to peers in the industry by size and region
- Significant discounts on industry-leading professional development opportunities, including in-person conferences and webinars through the APPA Academy
- Associate-level access to resources on [PublicPower.org](http://PublicPower.org)
- Utility-wide subscriptions to Public Power Current newsletter and Public Power magazine

Simply complete and return the application form with your first year's dues payment.

# JOIN

# COOPERATIVE ASSOCIATE MEMBERSHIP INFORMATION AND APPLICATION

## Primary Contact Information

The primary contact should be the person at your company to whom the APPA communicates information about membership benefits, updates, invoices, etc.

---

Name

---

Title

---

Company

---

Address

---

City State Zip

---

Telephone Email

---

Web address

## Agreement

To become an associate member of American Public Power Association, applicants must sign the following statement of support: I confirm that my organization supports the rights of communities to establish and operate local, government-owned electric utilities and recognizes the significant and positive role public power plays in the electric utility industry today in the future. I also understand that by providing my contact information, I am authorizing APPA to send notices to me about programs and services.

Except specifically noted in this agreement and for the limited purpose of performing the obligations under this agreement, neither party shall use other party's logo or name for the marketing or any other purposes without obtaining prior written approval of that party.

---

Primary Contact Signature Date

## Payment

Upon receipt of your membership application, APPA will email you an invoice and information on accessing your benefits.
