

Changes and Additions to the Legislative & Resolutions Committee Representative

APPA's Legislative and Resolutions (L&R) Committee formulates policy positions on issues affecting public power utilities and submits to APPA members for their consideration resolutions encompassing these recommendations. Each regular member of APPA is allowed one voting member on this committee.

The committee meets annually at the APPA Legislative Rally held each winter in Washington, D.C. Please make any changes prior to this meeting (please see the events calendar on the website) and send the form back to:

David Hadley
dhadley@publicpower.org

If you will be sending a different voting representative to the L&R Committee meeting or you do not currently have a representative on the committee, please fill out his or her contact information on the form below:

Name

Title
