WHAT IS THE AMERICAN PUBLIC POWER ASSOCIATION?

We're the voice of not-for-profit, community-owned utilities that power 2,000 towns and cities nationwide. We represent public power before the federal government to protect the interests of the more than 49 million customers that public power utilities serve and the 93,000 people they employ. Our association advocates and advises on electricity policy, technology, trends, training, and operations. Our members strengthen their communities by providing superior service, engaging citizens, and instilling pride in community-owned power.

WHAT IS THE ENGINEERING & OPERATIONS TECHNICAL CONFERENCE?

It's public power's conference for professionals who design, develop, and maintain a significant portion of the nation's electric system. Through pre-conference seminars, keynote addresses, and breakout sessions, the conference provides education on the critical issues facing the people most responsible for keeping the lights on.

WHY SHOULD MY COMPANY PARTICIPATE?

You'll enjoy exclusive branding and networking opportunities with people who make and influence purchasing decisions for communications and control, environmental services, generation and fuel, physical and cyber security, system planning, supply management, and transmission and distribution.

THANK YOU 2018 SPONSORS!

GET ADDITIONAL EXPOSURE AT THE PUBLIC POWER LINeworkERS RODEO

Come to Colorado Springs a little early to sponsor and exhibit at the 2019 Public Power Lineworkers Rodeo. Hosted by Colorado Springs Utilities, it's **the place** for journeyman and apprentice lineworkers to compete for professional recognition and to learn about the latest safety products and services.

For more information on this event and the opportunities that exist, please visit www.PublicPower.org/Rodeo.

SAVE MONEY ON THIS EVENT!
BECOME A CORPORATE ASSOCIATE MEMBER.

Corporate associate membership distinguishes your company as a lead supporter of public power and provides tangible benefits that get your name in front of the nation's 2,000 community-owned electric utilities. We offer two levels – standard and Elite – to fit your needs and budget. Both options provide your employees with significant benefits, but with an Elite membership you are given extensive branding and networking opportunities. Learn more at www.PublicPower.org/Join.

SPONSOR COMMITMENT FORM

ENGINEERING & OPERATIONS TECHNICAL CONFERENCE

MARCH 31 - APRIL 3, 2019 ● THE BROADMOOR ● COLORADO SPRINGS, COLORADO

Sponsorship Eligibility

Sponsorship at the 2019 Engineering & Operations Technical Conference is only for those entities that offer products and services to electricity and telecommunications utilities. The American Public Power Association shall have the sole right to determine the eligibility of sponsors at this event.

Sponsorship Cancellation

Once the American Public Power Association receives the sponsor commitment form, benefits will start. Cancellation must be made in writing to Membership@PublicPower.org. Sponsors who cancel by February 2 are liable for 50% of the sponsorship fee. Sponsors who cancel after February 2 are liable for 100% of the sponsorship fee. If full payment has not been received at the time of cancellation, an invoice for the appropriate amount will be issued.

Agreement

I understand and agree to comply with the sponsorship eligibility, payment, and cancellation policies. I understand that contributions or gifts made to this association are not deductible as charitable contributions for federal income tax purposes. I also understand that by providing my email and contact information that I am authorizing the American Public Power Association to send information to my organization about upcoming events, programs, and services via these means.
