Join the American Public Power Association to access premium utility operations tools

As a rural electric cooperative, you know the value of keeping the lights on and your customers satisfied. Cooperative Associate membership in the American Public Power Association will provide you with top-notch electric utility operations, tools and access to premiere information resources to make your job easier.

Enjoy valuable member benefits without breaking the bank

Cooperative Associate membership provides your employees with the resources they need.

- Deeply discounted rates on industry products and publications, including the Association's nationally acclaimed Safety Manual for an Electric Utility, and the recently launched eSafety Tracker — an online safety resource that will help you document and analyze safety-related events, including job briefings, injuries, near-misses, investigation reports, etc.
- Opportunity to apply for a Smart Energy Provider program best practices designation for utilities that show commitment to and proficiency in energy efficiency, distributed generation, renewable energy, and environmental initiatives
- Opportunity to apply for a Reliable Public Power Provider (RP3) program designation and to benefit from improved bond ratings, savings on workers compensation and insurance, and increased economic development opportunities that accompany a designation
- Access to eReliability Tracker — an online reliability benchmarking service that includes an annual national reliability report customized for each utility subscriber, enabling you to benchmark your reliability to peers in the industry by size and region
- Significant discounts on industry-leading professional development opportunities, including in-person conferences and webinars
- Associate-level access to resources on PublicPower.org
- Utility-wide subscriptions to Public Power Current e-newsletter and Public Power magazine
