

## Public Power Mutual Aid Playbook

# State Coordinators

As of August 2022

# Overview

---

This document should be used in conjunction with the Association's Public Power Mutual Aid Playbook (MAP) which can be found at <http://www.PublicPower.org/MutualAid>. In the event of a state or regional disaster, please reach out to the Designated State Coordinators (DSCs) listed in your region. Those DSCs will then reach out to Association staff in the event Federal Government support is needed (e.g., FEMA housing, access to fuel, etc.) and to provide general situational awareness from the region they represent.

Mutual Aid DSC contact information is organized by FEMA region, state, and network coordinator name.

Please contact Association staff at [mutualaid@publicpower.org](mailto:mutualaid@publicpower.org) / 202-467-2900 if your contact information needs to be updated or if you have any questions about this document or the Mutual Aid Playbook.
