

Competitor Equipment Shipping

Please contact the following individual prior to shipping your equipment:

Chris Chandler

512-505-7186

Christopher.chandler@austinenergy.com

Competitor Container Specifications:

Shipping containers should not exceed 8'(W) x 10'(L) x 8'(H) dimensions. Lifting points which are capable of safely supporting the suspended load are preferred for each container.

Any containers which exceed this specification are subject to not being delivered to the Rodeo Grounds. Please reach out to Chris Chandler to discuss any concerns with container size prior to shipment.

Competitor equipment should be shipped to the following address:

Austin Energy (2022 Rodeo)
Attn: Chris Chandler/David Weaver
Cc: Jeff Bradford/Jennifer Rangubphai
10001 Decker Lane
Austin, Texas 78724

Return Shipping Info:

Return shipment arrangements need to be coordinated by the equipment owners.

Return shipping instructions/labels, and any bills of lading, need to be included with the equipment/shipment.

Equipment will be re-available for return shipment/pickup on Monday, March 28, 2022 per the below.

Austin Energy; Decker Steel Yard
10001 Decker Lane
Austin, Texas 78724
