

Light Up Navajo: Volunteer Registration

Page description:

Registration is now open for Light Up Navajo!

The Light Up Navajo initiative is a pilot effort to begin electrifying the 15,000 Navajo households that still do not have power. We are looking for volunteer crews who can assist in building electric lines for 15 projects that will connect over a hundred new customers to the grid. NTUA will not be covering labor costs for volunteer crews but will be providing food and lodging for the duration of volunteer crews' stays on the Navajo Nation.

If your utility is interested in sending a volunteer crew, please complete this volunteer registration survey. You can [click here](#) for instructions on how to complete the registration survey. We have also provided a PDF copy of the survey for your convenience here.

We look forward to your responses. If you have any questions about the Light Up Navajo project or volunteer registration, please feel free to call us at 202-467-2931 or email us at Safety@PublicPower.org.

Crew Availability

4. Which weeks is the volunteer crew available?

Please refer to the volunteer schedule posted on our [Light Up Navajo webpage](#) to view which volunteer slots are currently available and provide the crew's first, second, and third choice. If your crew is only available for one of the weeks provided, please indicate that week as the first choice and leave the second and third choices blank.

** If your crew has less than four volunteers, please be sure to check the [Light Up Navajo webpage](#) to see if your crew is available for any of the slots that are partially filled. *
