

APPA Resources of the Week

MARCH 30 – April 3, 2020

Welcome to “APPA Resources of the Week.” Our goal with this piece is to deliver to our members a concise package of tools and information to help you better serve your communities. In the coming weeks, it is almost certain that resources dedicated to the COVID-19 response will dominate this digest, but our vision is to expand into all areas of the public power space.

We encourage feedback so that we can consistently deliver a quality product. Reach out with your feedback to Info@PublicPower.org.

Top Resources

[APPA summary of utility safety-related information related to the COVID-19 pandemic](#) – APPA staff distilled a compilation of safety resources for utility operations impacted by the coronavirus pandemic.

[Free HR Tool for APPA Members](#) - APPA encourages its members to access [HR 360](#), a powerful HR tool to support your utility efforts during the coronavirus pandemic. APPA members can access this resource at no cost. HR 360 is publishing fresh content featuring government actions that affect your utility, such as the Families First Coronavirus Response Act (FFCRA).

APPA conducted its first **CEO/utility director conference call** on April 1, which focused on COVID-19 actions being taken by APPA’s utility members. In addition, APPA launched a CEO/utility director listserv to provide a forum for utility executives to interact with each other on a real-time basis. Contact membership@PublicPower.org for additional details.

FERC announced additional actions in response to the COVID-19 emergency. Press releases describing FERC’s actions are available [here](#) and [here](#).

[Electricity Subsector Coordinating Council \(ESCC\) COVID-19 Resource Guide for the electric power industry V. 3](#) was released – APPA collaborated with industry partners to create this living guide, which aims to guide decision-making in response to the COVID-19 global health emergency.

[Cybersecurity Resources During COVID-19 Response](#) – During the pandemic response, don’t forget to keep a watchful eye on cybersecurity. APPA has resources to help.
