

PUBLIC POWER UTILITY MEMBERSHIP INFORMATION & APPLICATION

Who is eligible for public power utility membership?

All municipal, state, and other local, government-owned electric utilities in the U.S., its territories and possessions are eligible for membership in this category.

Benefits include:

- National representation on Federal legislative and regulatory issues that impact your utility
- Opportunities for staff and policymakers to participate in industry-specific conferences and training opportunities at a discounted rate through the Association's Academy
- Opportunities to access funding for innovative projects and student interns through the Demonstration of Energy & Efficiency Developments research and grant program
- Opportunities to earn national and local recognition as a safe, reliable electric utility through the Reliable Public Power Provider (RP3)[®] program
- Ability to participate in the annual awards program for utility/individual service and achievement, safety, and communications
- Opportunities for staff and policymakers to participate in peer-drive email list serves in more than 20 functional areas
- Access for staff and policymakers to "members-only" white papers, statistical analysis, and much more on www.PublicPower.org
- Opportunities for staff and policymakers to purchase products at a discounted rate
- Access to the Association's professional staff
- Listing in the *Annual Directory & Statistical Report*
- Use of the Association logo to support public power
- Unlimited number of subscriptions to *Public Power Daily* e-newsletter
- Unlimited number of subscriptions to *Public Power* magazine, in print or e-magazine
- Unlimited number of copies of the *Annual Directory & Statistical Report*

Dues

Dues are based on revenue and kWh sales figures and customer data provided by the Department of Energy, Energy Information Administration. The EIA compiles this data from Form EIA-861 completed annually by all electric utilities.

New members enjoy a graduated discount on their annual dues: Year 1 – 50% of calculated dues (or minimum annual dues of \$550); Year 2 – 40%; Year 3 – 30%; Year 4 – 20%; Year 5 – 10%; Year 6+ full dues
Minimum dues \$600.

Contact Jeff Haas, VP of Membership & Strategic Development, 202.467.2953; JHaas@PublicPower.org, for your individualized dues quote.

HOMETOWN CONNECTIONS® Agreement

Due to the new member discount, the Association requires utilities that purchase goods or services through Hometown Connections in their first year of membership to commit to a second year of membership. Your signature acknowledges your understanding of and commitment to this agreement. In addition, by providing the above fax number and contact information for your organization, you are authorizing the American Public Power Association to send your organization faxes and emails about upcoming events, programs, and services.
