

Nomination for DEED Board of Directors - Region 1

Eligibility: Any official from a DEED member utility, joint action agency, state/regional association, or federal service contract in Region 1 (Colorado, New Mexico, Utah, and Wyoming) is eligible for the Region 1 nomination. DEED associate members are not eligible.

Criteria for Board Selection: The DEED program is best represented by a board comprised of a group of diverse individuals. Therefore, when evaluating candidates, the incumbent board will strive to maintain or enhance the following board characteristics:

- Diversity of subject-matter expertise
- Diversity of size (large, medium, and small utilities)
- Diversity of member type (utilities, state associations, joint action agencies)

The board will also consider a candidate’s years in public power, involvement in APPA and DEED activities, previous and current job experience, in addition to any other qualification that demonstrates an individual’s fitness to serve as a DEED director. The board shall also consider prior regional representation to assess participation from a state and utility standpoint. Nominees should be familiar with national industry issues, especially as they relate to energy research and development, and engineering technologies.

Nominator: A candidate must be nominated by another individual at a DEED member utility. Candidates may not nominate themselves.

Submission Process: *Return this nomination form via e-mail to DEED@PublicPower.org no later than Monday, August 17, 2020.* Please use “DEED Director Region 1 Nomination” as your email subject header. You may also mail the nomination form and associated materials to DEED Program, American Public Power Association, 2451-Crystal Dr., Suite 1000, Arlington, VA 22202. Nomination forms are available from the Association website at www.PublicPower.org/DEED. Questions? Contact DEED Program Staff at 202-467-2942 or e-mail DEED@PublicPower.org.
