

# October 6-12 is Public Power Week... and we have reason to celebrate!

Like approximately 2,000 other communities across the country, we are powered by a community-owned, not-for-profit public power utility. During Public Power Week, we celebrate the benefits of living in a public power community including:

- **Low rates**
- **High reliability**
- **Dedicated, local service**
- **Community focus**
- **Economic development**
- **Local decision-making**
