Taunton Municipal Lighting Plant energy analyst receives leadership award

Austin, Texas, June 11, 2019 — Devon Tremont, Energy Analyst at Taunton Municipal Lighting Plant in Taunton, Massachusetts, received the Robert E. Roundtree Rising Star Award at the American Public Power Association's national conference in Austin, Texas. This award is a scholarship presented to future leaders in public power. Tremont will receive a stipend to travel to one of the Association's conferences or training programs to advance his education and development in public power.

Tremont is always willing to help those in need with his problem-solving skills and thoughtful strategies for success. He is a skilled power supply analyst and responsible for load and generation bidding into the New England ISO. Tremont looks to continually grow his knowledge and experience in public power. He embraces and lives the guiding values Taunton has established over its 125-year history.

###

The American Public Power Association is the voice of not-for-profit, community-owned utilities that power 2,000 towns and cities nationwide. We represent public power before the federal government to protect the interests of the more than 49 million people that public power utilities serve, and the 93,000 people they employ. Our association advocates and advises on electricity policy, technology, trends, training, and operations. Our members strengthen their communities by providing superior service, engaging citizens, and instilling pride in community-owned power.
